

# HOULDSWORTH HOOKS

Autumn Term 2018

Stone Age to Iron Age

'The Big Dig'

When working on writing foci it is important that we ensure coverage of the national curriculum. Imperative coverage will be for children to have opportunity for them to plan and redraft their work, write their work—with focus on paragraphs—and editing their work

## Sparkling Starter

- Tardis—Blue paper on door to send the children back in time.
- debris trail in classroom leading to outside...

## STONE AGE

- Ug arrives looking for his tools...
- Hot Seat Ug—time period, use of tools, clothes, family life etc.

## BRONZE AGE

- Clips from 'Early Man' film
- Introduction of the Bronze Age vs the Stone Age

## IRON AGE

- Museum Trip—exploring Bronze into Iron Age

## Fantastic Finisher

- Campfire on the field
- Which 'age' had the most successful tools?

Children dig up and find various tools from a time long ago.

What were the tools used for?

Investigate what they are & what used for etc.

Writing focus diary entry life as an archaeologist.

-introduction to the stone age, timeline in books with Ug placed on.

Tool fact page —designs, uses etc

Ug story (Raymond Briggs)—cave paintings

Design & make felt boots for Ug

Tools for food: Investigate animals & materials from the Stone Age—linked to Ug's story.

Writing focus non-chronological report on tools

Add Bronze age character to timeline

Make maps of surviving UK monuments from the Stone, Bronze (and add Iron Ages in next part)

Compare and contrast Bronze age tools with stone age ones.

Spearing Fish—nutrition

Bronze age pottery making coil pot

Writing focus instructions for making a coil pot.

Buildings - Roundhouse—build a model roundhouse link to shape and perimeter.

Tools for protection leading into Iron age battles

Add Roundhouse to timeline

Map out a prehistoric settlement on a grid using co-ordinates

Celtic designs from the Iron Age.

Writing focus newspaper report—of battle

-Reading/sharing work.
