

## HOULDSWORTH VALLEY PRIMARY ACADEMY SPORTS FUNDING

### PE AND SPORT PREMIUM FOR PRIMARY SCHOOLS

*If your school receives PE and Sport Premium funding you must publish details of how your school spends this funding and the effect it has had on pupils' PE and sport participation and attainment.*

*You must include the following:*

- your PE and sport premium allocation for the current academic year*
- details of how you intend to spend your allocation*
- details of how you spent your previous year's allocation*
- how it made a difference to the PE and sport participation and attainment of the pupils who attract the funding*

At Houldsworth Valley Primary Academy we have been allocated £ for our PE and Sports Premium funding.

The Primary PE and Sports Premium funding has been provided by the government to ensure impact against the following objective:

*'To achieve self-sustaining improvement in the quality of PE and sport in primary schools.'*

It is important to emphasise that the focus of the spending must lead to long lasting impact against the vision that will live on well beyond the Primary PE and Sport Premium funding.

It is expected that schools will see an improvement against the following 5 key indicators:

- 1. The engagement of all pupils in regular physical activity, kick-starting healthy active lifestyles.*
- 2. The profile of PE and sport being raised across the school as a tool for whole school improvement.*
- 3. Increased confidence, knowledge and skills of all staff in teaching PE and sport.*
- 4. Broader experience of a range of sports and activities offered to all pupils.*
- 5. Increased participation in competitive sport.*

This academic year (2017-2018) we plan to use the funding to allow us to:

**Support our School Develop Plan:**

**2. To establish and develop a consistent behaviour system within the school that models high expectations**
