

April 2021

Dear Parents,

We hope that the children have had a good first month back and talked positively about their learning. As always thank you for your ongoing support in terms of the children's education but also for sticking with our covid rules and keeping everyone safe. This week we have been talking about the word 'enthusiasm' and how it's great to learn new things and push yourself.

Attendance currently stands at 96.8% across the school. This is excellent. Thank you so much for getting your children to school everyday.

Year 2 and 6 have enjoyed screen printing and willow art this week with our visiting artist, Tim Davies (fits so well with trying new things!)

OneLife Suffolk will be working with KS2 pupils and the Apex over the next four weeks to develop their understanding of a healthy lifestyle. Reinforcing the children's right to 'the best possible health' (article 24) these sessions aim to educate the pupils about the benefits of regular exercise, a balanced diet and getting enough sleep, while highlighting the impact junk food and fizzy drinks can have on their body.

A big well done to Year 6. 3 children represented the school and shared their Geography learning with lots of other schools. The feedback was 'We want our children to be like Houldsworth Valley'.

On 7th May we will be joining in with 'Purple Day' to raise much needed funds for Cancer Research UK. Children can wear non-uniform on this day in return for a £1 donation. If they have a shade of purple or blue that could form part of this non-uniform, that would be fantastic.

Enjoy the bank holiday weekend.

Kind Regards,

Lisa Tweed  
Headteacher
