March 2021

Dear Parents,

It is so lovely to have all your children back in school. Our first objective today was to make the children feel welcome and give them time to play with their friends.

We really want the children believe that they can achieve their dreams at Houldsworth Valley. As a result, we have refreshed our school vision based around the word 'aspiration'. Over the next few weeks, I am sure you will hear more about this from your child.....

Anything's Possible.....if you ASPIRE

- A: **Ambition** aim high and work hard, improve
- S: **Support** learn together, collaborate
- P: **Perseverance** be resilient, don't give up, concentrate
- I: **Independence** be responsible for your actions, push yourself
- R: **Respect** be kind, honest and understand others
- E: **Enthusiasm** try new things, imagine where it takes you, be positive

Although we are still social distancing and reducing contact with parents, do feel free to speak to us on the gate or contact your child's teacher through class dojo or the school office.

Kind Regards,

Lisa Tweed
