Dear Parents,

Thank you for your continued support this term. The children continue to make us smile. They have been focusing on Art over the past few weeks. It has been brilliant to see their enthusiasm, creativity and individuality shining through. They have been really proud of their learning. This week we have been assessing the children across the school. This is really important so that we can support and plan next steps in school for every child. The attitude the children have shown to this has been exceptional. They have all really pushed themselves and shown terrific 'grit'.

Every class has introduced a 'meet and greet' every morning. The children have chosen their own class greetings to use to say hello to their teacher. Ask your child about their class. We want to ensure that every child gets a positive start to each day and are acknowledged.

Next week some children will be experiencing our visiting climbing wall, and all children will be taking on the role of 'change makers' as part of our ongoing Rights Respecting learning.

Have a super weekend.

Kind Regards,

Lisa Tweed
Headteacher

Just to remind you of our uniform provider, as I know some of you will be thinking about this ready for September in the coming weeks:
