

May 2022

Happy, confident children who clearly know that they have rights and are committed to helping to realise these for other children locally and globally.

An ethos that places positive relationships based on mutual respect and trust at the heart of school life.

A clear strategic approach to embedding children's rights in school life that has been guided by recommendations from the Silver visit and report.

Confident, articulate children who know that they have a voice, and who are engaged in school improvement and campaigning at a local and global level.

A caring and inclusive ethos where staff and students ensure that everyone particularly those with learning differences or a disability feel supported and fully involved in school life.

The school's work on health and wellbeing, in particular the consideration of mental health and emotions was notably strong.

Dear Parent,

We have some great news to share with you. On 1st April we had our Rights Respecting Assessment. We achieved the GOLD award! We are only the second Suffolk school to achieve this. We are just so incredibly proud of our staff and children. At Houldsworth Valley we have the highest aspirations for all our children and are creating children that are respectful, worldly, have a voice and care about others locally and globally.

WELL DONE HOULDSWORTH VALLEY.....YOU SHINE!

Kind Regards,

Mrs Tweed
Executive Headteacher
