

October 2020

Dear Parents,

History

This week we have started our History topics across the school for three weeks. The children are full of facts, knowledge and information already.

Reading

Reading at home will earn your child a raffle ticket and will mean that they will be entered into our weekly draw which takes place on a Friday. The more times they read, the more times they enter and the more chance they have of winning! The children can choose to read their school book or another book they have at home. Obviously at the moment, we are unable to invite you in for parent share sessions and Proud Assemblies, but look forward to the day when we can!

Our library finishing touches get completed next week, look out on our Facebook page for photographs.

Uniform

Thank you so much to all parents who have worked with the school in ensuring that the children have come back to school looking so smart, and dressed in correct school uniform.

Attendance

Despite all that is happening in the wider world, I am pleased to say that the school's current attendance is 95.7% which as you all know is close to our target of 96%. A particular well done to Reception and Year 6 whose attendance is 97%.

Obviously this is a difficult time and we appreciate all that you are all doing as a community to work with us for the good to your wonderful children.

A Happy School

Our banner has arrived and is up. The children amaze me daily with their resilience, grit, hard work, concentration and improvement (all focus school words this half term). Ask your child to give you one of our school cheers to celebrate...

Oracy

We have also continued to work hard on ensuring we have high expectations across the school for talk.

Ask your child what the expectations are...

Our Rights Respecting article this month is Article 12, the right to be heard

Covid

As half term approaches, I can't thank you enough for all your support with our covid safe procedures. Whilst I realise that decisions are not always popular, I can assure you that all decisions are taken with the best of intention and with health, safety and well-being at the forefront.

Take care and do keep in touch with us by telephone, email, use of the messages or speaking to us on the playground.

Kind regards,

Lisa Tweed Headteacher
