

Reading

Pupils will continue to have daily SFA sessions where they will focus on the development of letter sounds.

Children will regularly bring home specially selected books to read. We hope that you will encourage your child to read as often as possible and fill in the reading record. When your child has finished a book they will need to return it to school where they can choose another.

Science

In a change from last year where we blocked subjects, this year we will have one Science lesson every week. These lessons will each seek to answer a scientific question, beginning with seasonal changes.

Maths

In maths we will begin this term by focusing on number fluency. We will use a range of resources to provide children with opportunities to develop their number understanding. We will start the term by exploring numbers up to 20.

Year 1 Curriculum Information— Autumn 2021

Art- Our Art this term will cover drawing and painting.

History/Geography

This term, in History we will be learning about the changes within the children's living memory. As well as continents and oceans in Geography.

PSHE—our focus for this half term in PSHE will be 'Me and my relationships' followed by 'Valuing Difference'

PE—alongside Dance and Gymnastics we will begin this term with Games. Our PE days are Tuesday and Thursday.

Forest Schools—This term Year 1 will be taking part in Forest schools every Monday. Where they will get the chance to learn about animals and plants. As well as taking part in den building and outdoor craft activities.
