

# Bumblebees Class Newsletter

Autumn Term 2017

I would like to take this opportunity to say welcome to Bumblebees Class! I hope you all had a lovely summer and are looking forward to the year ahead of us.

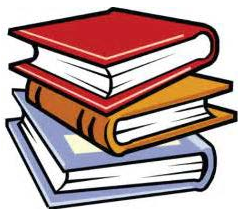

We have had lots of fun making scarecrows in our first week in Bumblebees class to prepare for the wedding of Betty O'Barley and Harry O'Hay. We even went on a scavenger hunt around the school and created potions out of the 'ingredients' we

found.

Our Theme for this half term is 'Amazing me'. Please look at our topic web for details of the exciting things we will be learning about in each subject area.

Children will regularly bring home specially selected books to read. We hope that you will encourage your child to read as often as possible and fill in the reading record. When your child has finished a book they will need to return it to school where they can choose another. A home learning book will be sent home on a Friday to be completed over the weekend. There will be a range of activities for you and your child to choose from related to our theme. Please return this book by the following Thursday.

Your child's PE kit will need to be in school on **Thursday** when we will be having our PE session. In the afternoon Mrs Ennis and Premier sport will teach dance and multi skills with your children.

I am really looking forward to an exciting year in Bumblebees class. I am always available to talk to parents and carers after school regarding any questions or concerns you might have in reference to your child's education or indeed, their well-being. My door is always open.

Kind regards,

Miss Bean

Bumblebees Class Teacher.
